Name That Tune

HOW TO PLAY Audience members spin a wheel on my device which rotates to reveal one of over 400 music categories: it could be an artist, year, musical, or a song about a certain theme. I play the song on the piano and the first person to correctly guess the song title wins a game card which they hold onto until the end of the game. The person who holds the most game cards at the end of the hour wins a prize. **It's the most fun and engaging Name That Tune game around!**

The image displays four overlapping 'Music BINGO' cards. Each card features a 5x5 grid of squares containing song titles and artist names. The word 'BINGO' is prominently displayed at the top of each card in large, colorful letters (Blue, Red, Green, Yellow, Green, Blue, Red, Green, Yellow, Green, Blue). The cards are slightly offset from each other, creating a layered effect. The background is a solid light blue.

Card 1 (Top Left):

Unforgettable	More	Begin the Beguine	Do Re Mi

Keyboard Karaoke™

HOW TO PLAY With over 68,000 songs available, Keyboard Karaoke™ works great in an All-Request format, or as a pre-arranged concert featuring one of my 400+ concert programs. Lyrics are displayed on a large 50" screen on a portable stand that all audience members can view and enjoy. It's just like karaoke except that I play along with songs on the piano. **Attendees can sing along, or just enjoy watching the lyrics scroll on the screen.** This format can be used with or without a piano. I supply everything that is required.

Biography

Pianist Glenn Kramer has been performing for special events and senior homes since 1994. He specializes in pop, jazz, showtunes, and standards from the Great American Songbook and loves taking requests from audiences.

He currently brings his talent to many venues in which clients are looking for a more interactive music experience. He provides fun, engaging games such as “Name that Tune,” “Music Bingo™, and Keyboard Karaoke™. His most requested format is “All Request Hour” where he plays suggestions from the audience.

Glenn is known for his entertaining, lively one-hour programs where he talks about the music for those who love a little history or music trivia. He has over 400 diverse programs ready to go, and has lyric books to supplement his programs for those who enjoy following along with the music. He also brings musical instruments for attendees to keep rhythm to the songs (such as shakers, tambourines and more).

Glenn is the founder of a non-profit organization called AmateurPianists, the world's largest piano-themed Meetup group. Its mission is to create performance and learning opportunities for amateur pianists at every skill level through recitals and masterclasses. The organization also hosts a prestigious international piano competition for top-level amateur pianists.

Glenn was born Los Angeles, California, and started his professional career at the age of fifteen when he was hired by the North Ranch Country Club in Calabasas, California to perform dinner music for members of the country club. His piano arrangements, transcriptions, and original compositions have also received wide acclaim. His music can be heard on streaming platforms such as iTunes and more.

His hobbies include graphic design and attending cultural events. He aims to live life with gratitude, love, music, and creativity, and tries to instill these values to his seven-year-old son.

Fantastic. Glenn was on time. He played the genre we requested and was very entertaining. Would happily hire Glenn again for our next event.

- Miguel E

Wedding Reception in Yorba Linda, CA

If you're looking for a pianist, you can stop your search now and hire Glenn Kramer. We hired Glenn for our wedding reception and we could not be happier. Yes, he plays beautifully and his range of songs is incredible. And yes, his rate is very competitive. What really sets Glenn apart is his professionalism and his focus on the client. From the very beginning, Glenn was one of the few people we hired who really made my wife and me feel special and that they were honored to play at our wedding. Any bride and groom (or host and hostess) will agree that that feeling makes a world of difference on your important day. Can't wait to hire him again for a future event!

- Mark N

Wedding Cocktail Hour in San Diego, CA

Glenn was absolutely the best! He was so professional and very communicative. He made my wedding cocktail hour amazing! He had my best interest at heart. He even called me to ask me if a suit or tux would be best for my wedding. I thought that was extremely considerate since it was a formal occasion. I would recommend Glenn to everyone!

PIANIST GLENN KRAMER

Club Event in San Diego, CA

Mr. Kramer completely fulfilled our needs for entertainment at our recent evening dinner celebration. He was easy to contact and helpful in planning the event, arrived early, was courteous and over all a very, very pleasant person. He seemed to truly enjoy playing for our event! His talent at the piano is astonishing and we would hire him again in a flash.

We strongly recommend Mr. Kramer to anyone seeking a professional pianist!

Birthday Party in San Diego, CA

Glenn was the perfect choice for our birthday Cabaret Party. He clearly put a lot of thought and effort into the spirit of the event. He has a vast and appropriate repertoire. Our guests raved about him. Some even danced. Several asked for his contact info. His lively, easy playing style suited our party so well and his personal charm added to its success. I was impressed with how conscientious he was about communicating with me before the party regarding every little detail. He's a gem and we will be booking him again, no question.

- Sharon H

Celebration in San Diego, CA

Glenn provided music for our Blessing and Commitment Ceremony in December at St. Paul's Cathedral. He met with us before the event to discuss the timing, song selections and even the best placement for the piano! Nothing was too much trouble for him and he went out of his way to ensure that our day would be special. At our request, Glenn quickly learned a new song that has special meaning to us and played it beautifully as we entered the reception hall.

We received many compliments from our guests regarding Glenn's artistry, versatility and professionalism. We highly recommend Glenn and look forward to hearing him play again.

- Cathy H

Corporate Function in San Diego, CA

Glen was the perfect compliment to my client's corporate event. He played upbeat pieces with a smile on his face. I received many compliments on his behalf and we look forward to working with him again. Thanks Glenn!

- Liz B

Wedding Cocktail Hour in San Diego, CA

We hired Glenn to perform at our wedding on 9/22/12 and were absolutely thrilled with both his performance and professionalism.

Leading up to the event Glenn maintained regular contact confirming the details of the event including arrival time, dress code, preferred playlist request, etc. Glenn was absolutely on point in all of these areas!!

On the performance side, Glenn is clearly a master of his craft. His current playlist is something like 160 pages and his range is huge! In addition to the playlist, Glenn demonstrated his versatility by accepting any requests from our guests.

We really enjoyed having Glenn play our wedding and highly recommend him!

- David A

Birthday Party in San Juan Capistrano, CA

In addition to his wonderful talent and his delightful and extensive repertoire, Glenn was warm and personable, and very accommodating to our needs.

We could not have been more satisfied! Thank you, Glenn!!

- Virginia H

Private Party in La Jolla, CA

I could not possibly have chosen a better performer. Glenn played at the Celebration of Life for my late stepfather, recently-deceased, who would have been 90 years old this week. Glenn played the several songs that were especially important to my mother, brought a full repertoire of songs from the 40's (for my mom), and also coordinated a song with my nephew, Todd (saxophonist), that my stepfather had asked Todd to play 'after he was gone' two years ago. Glenn kept in touch in advance of the event, arrived on time immaculately dressed, brought/set up a microphone & speaker for our speeches, & played a song for brother/sister-in-law to dance. I give Glenn an A+.

- Ann L

Event in Carlsbad, CA

What a perfect evening, made more perfect by this great entertainer. He read the audience just right, and was a gentleman in every way. I would highly recommend Glenn!

- Nancy W

Glenn is very professional and very accommodating to our music needs. His piano playing at our wedding cocktail hour was fantastic. Everyone we talked to enjoyed the music. We would use Glenn again and would love to hear him play at any of his public events. Thanks Glenn for making our wedding memorable.

- David I

Wedding Ceremony in Rolling Hills Estates, CA

TALENTED, PROFESSIONAL and PASSIONATE - these words describe Glenn Kramer perfectly. We are so glad we picked Glenn to be the pianist for our wedding! From start to finish, he was professional and wonderfully accommodating to our requests. He is very passionate about what he does and that makes him the perfect choice for any occasion! He made the ceremony a beautiful experience for us all. We were very blessed to have an amazing musician like him. We would recommend him to anyone/everyone that wants the best at their event.

- Jacqueline H

Birthday Party in Oceanside, CA

We had a great time with Glenn. Glenn was a great performer. He played so many different songs, and played every song that was requested, and played it with flare and style, which everyone loved. Everyone had a great time at my wife's party. He was very professional in every sense of the word.

- Walter & Elena H

Wedding Reception in Long Beach, CA

Words cannot express what a phenomenal, talented, professional Glenn Kramer is. His piano performance was the primary factor in making my son's wedding such a wonderful event! He was personable with the guests, and I received multiple positive remarks about Glenn from those present. I would recommend him to anyone needing a pianist for any type of event, as his play list is remarkably versatile and profoundly extensive. In addition to playing the piano, Glenn brought a microphone, and announced the crucial events, such as cake cutting, etc. Glenn is truly a 10++++ performer. He touched our lives in the most memorable way for this very special occasion.
